

Dear Friends,

We are so grateful to our members who support the fine tradition of music by the orchestra that was established in 1932.

We are also grateful for the trust you place in those of us who carefully watch over the responsibilities entrusted to us, making the best decisions for our dedicated volunteer musicians. Please be assured that all those who have responsibility with supporting this fine orchestra are working tirelessly to ensure that the Port Angeles Symphony remains one of the finest community orchestras in the country!

The orchestra's annual operating expenses exceed \$200,000, but our affordable ticket prices cover less than half of that amount. We depend on voluntary donations to keep the orchestra financially healthy.

Each financial gift you make available to the orchestra enables us to carry on a tradition of excellence, to provide music that appeals to a broad audience and engages our volunteer musicians.

Every amount donated helps us increase knowledge and appreciation for orchestral music to those in our community — especially young people who have never been exposed to live orchestral music.

Thank you for being a part of our rich history and for giving the gift of music to so many!

*Mary Ann Unger*
