2018 - 2019 Season

A Message from our Board President

Dear Fellow Music Lovers,

I am happy to introduce the 86th season of your community orchestra! As you explore the coming season's programs, I know you will share in our excitement about the musical gems and guest artists coming our way.

After a decade, the Board decided to a small increase in ticket prices, in line with rising costs. The Symphony will continue to offer deep discounts for all of our subscription packages and, as always, admission for children age 16 and under is free when accompanied by an adult!

Bringing the best of orchestral music to you is our goal, and we strive to make every concert an inspiring and memorable experience. Thank you for your support; it means the world to us!

Marie E. Meyers

President, Board of Directors
