

From E. Park Avenue, turn into the main entrance between the school buildings and the tennis courts. From the drop off location shown on the map, it is a short distance to the auditorium without steps. Please be aware that once inside the auditorium, the floors are slanted steeply. Please also note that there is no entrance at this door once the concert has started so please plan to arrive early for access. During the performance, please use the main auditorium lobby via the covered walkway, turning left, and using the stairs on your right up to the courtyard. Thank you.
