Unit 1: Winter 2022

Pearl Django is a band that plays Hot Club Jazz

Hot Club Jazz is a style of happy music, started by Django Reinhardt and Stephane Grappelli in the early 1900s...

Django

We can learn a lot from Django, because even though he was born into a poor family, had hardly any education, got badly burned in a fire and lost the use of some fingers, he decided he was going to play music anyway. That was despite doctors who told him he'd never play again. Because of his decision and determination, he became one of the greatest guitar players ever.
